MARIETTA DAILY LEADER

SATURDAY, AUGUST 22, 1923

PERSONAL AND LOCAL.

—Washington, Pa., defeated Parkersburg Friday by a score of 11 to 10.

—Dr. Chas. T. Waters, Mr. Don Hart, Mrs. Miriam Loomis, Miss Carol Nye and Miss Marie Buell enjoyed a pleasant drive to Parkersburg Friday evening. They were accompanied home by Mr. F. Kent Loomis, editor of the State Journal.

—Thos. Pollock, of Valley Mills, met with a serious loss last Thursday night. His barn, which was a large and substantial affair, and arranged with modern improvements was entirely destroyed by fire. Two fine horses, one of which Mr. Pollock purchased recently for \$160, and a new buggy worth \$90, new harness, and a lot of farming implement and feed were also destroyed. There was no insurance. The origin of the fire is not known, but Mr. Pollock is of the opinion that it was set on fire by tramps. The loss is about \$1,200.—Parkersburg Sentinel.

—Mr. and Mrs. Lew Whiting have returned from Parkersburg, where they were the guests of Mr. and Mrs. Chas. Schaefer.

—A union meeting of the endeavor societies of Unionville, Rainbow and Devol's will be held at Putnam school house Sunday evening.

—The real estate, buildings and machinery of the Marietta Planing Mill Company, recently assigned, were sold by Assignee F. S. Coleman Friday for \$3719.33, being \$119.33 above the two-thirds required by law. The purchaser was Daniel Kelly, of this city.

—Ride your bicycle to the Fair. You can have it checked free of charge.

—Mrs. McGirr and daughters visited friends at Parkersburg Friday.

—Miss Clara Peters was the guest of friends in Lowell Friday.

—William Frank was at Lowell Friday on a business trip.

—Inspectors Devine and Foreman, appointed by Council to examine the Putnam street bridge, have completed the work and submitted a sealed report. It is understood that they recommend extensive repairs on the structure.

—Mr. and Mrs. H. F. Kraft, Mr. and Mrs. Harry Glines and Miss Ida Watson will be among the party of excursionists leaving over the Z. & O. R. this morning for Cleveland.

—A lawn fete will be given at the home of Mr. Louis Cook, Unionville, Tuesday evening.

—The funeral of Miss Emma Wilking was held Friday and the remains taken to Lowell for interment.

—Flowers and untrimmed hats at one half price to close them out at the Bee Hive.

—A quantity of campaign music was received last night by the McKinley Glee Club and some rousing songs are promised for the regular meeting Monday.

—The work on the Third street pavilion was stopped temporarily Friday, Council having forbidden the taking of any more sand from Third street, near Wooster. Residents complained that the street was being injured and Marshal Parlia stopped the digging. Sand will be secured from another place and the work will proceed without interruption.

—Mr. and Mrs. A. Morris returned home last evening from Circleville, where they went on Sunday last to attend the funeral of Mr. Morris's mother, Mrs. Sarah Morris.

—William R. Roney came in last night from Chicago, where he has been for two years past, occupying a position with the Standard Oil Co. Mr. Roney expects to remain two weeks.

—Mrs. Charles R. Elston and children, who have been visiting Mrs. Elston's parents at Racine, returned home last evening by boat.

—Miss Katie Lehr, of Cincinnati, is the guest of friends in this city.

—George Croll, Little Hocking, has bought the flouring mill at that place, of David Garber, and it is the intention of the new owner to make the business boom.

—Largest balloon in the world, and double parachute descent at the Fair.

—The game here Friday afternoon between the Mariettas and Paris, Ky., team was one of the finest exhibitions of ball playing ever seen in the city, though much disappointment was felt over the necessity of calling the game after the sixth inning on account of rain and darkness. The score was 3 to 1 in favor of Marietta. The Paris team narrowly escaped a shut-out, being saved by a lucky home run hit over left field fence by third baseman Heileman. Best pitched a good game for the visitors, Marietta making only six hits, but Taylor pitched a better one for the locals, holding his opponents down to three hits, and one of them an accidental bunt. Marietta played an errorless fielding game. The general opinion is that Paris is by far the strongest team that has visited us this season and deserve their title of champions of the Kentucky League. The contest today will bring out a large crowd and ought to be a close one.

—Gents' working shirts worth 45 and 50 cents will be sold Saturday only, 3 shirts for \$1.00 at the Bee Hive Store.

—Don't forget the dates of the Fair, Sept. 2, 3 and 4.

—The Fort Wayne nine defeated Cambridge Friday by a score of 12 to 2.

—R. M. Applegate, of Beverly, was in the city Friday, registered at the Bellevue.

—Mr. and Mrs. W. I. Bower have been visiting relatives in Dexter City.

—The Democrats of Morgan county, which has for several years been a hotbed of Populism and Silverism, will hold their convention today.

—Mr. J. G. Hall, Maple street, is seriously ill, having recently been stricken with paralysis.

—Mrs. C. A. Cone, of Jackson, Mich., is the guest of her sister, Mrs. McCune, West Side.

—The new Marietta-Middleport packet Argand, Capt. Flesher, will arrive here today.

—Big Bargains in Shirtwaists, Underwear, Handkerchiefs, Towels, Toweling and Millinery Goods at the Bee Hive Store.

—Marietta Camp No. 4138, Modern Woodmen of America, was instituted at Odd Fellows Hall Friday evening by Deputy Consul R. E. Cornelius. Officers were elected as follows: Venerable Consul, C. S. Hart; Worthy Advisor, S. A. Cunningham; Banker, L. S. Dunbar; Clerk, August Schmidt; Escort, C. W. Jones, Jr.; Watchman, R. D. Alden; Sentry, Chas. R. Butts; Camp Physicians, Chas. S. Hart, S. A. Cunningham, O. E. Lamb; Managers, H. A. Wagner, J. C. Goldsmith, S. J. Meals.

—Manager Mercer, of the Bucksboes of Zanesville, was in the city and made a vain attempt to sign Williams, the crack short stop of the Parkersburg team. Mercer made him a tempting offer, but Williams would only accept on conditions that Guinther should go with him. Guinther refused to leave the local club, and the Bucksboes are well supplied with pitchers and the deal fell through. Williams covers his position better than any short stop that has ever played on these grounds, and he is also good at the bat. He is a very valuable man and his place would be hard to fill.—Parkersburg Sentinel.

—Several B. & O. passenger locomotives on the main division have been fitted with chime whistles. The object is to make the passenger locomotive whistle as different as possible from those of the other locomotives which will have a tendency to prevent accidents, etc. It is probable the passenger locomotives on this division will come out with new voices before long which are said to be quite pretty, and a great improvement over the shrill screech of the ordinary whistle.

—An interesting consignment of freight that passed through this city from Zanesville yesterday and went down to Parkersburg on the Liberty, consisted of a pair of billy-goats and a small wagon containing a cage full of birds. These are to be used by Aero-naut Eisele in the balloon ascension on the Island.

—Capt. W. E. White went to Marietta this morning, returning this afternoon, accompanied by his little son, Langdon, who has been visiting relatives there and by his sister-in-law, Miss Lura Thompson, who will visit Mrs. A. B. White, for a few days.—Parkersburg Journal.

—Some Special Bargains in Towels, Toweling, Table Cloth Goods and Napkins. Also Handkerchiefs, Hosiery and Underwear at the Bee Hive Store.

A Short Visit to an Old Friend.

The editor of the Leader visited Little Hocking Friday, and saw there an old friend of his childhood, Mrs. S. M. Skeen—"Aunt Car," as she is by a legion of friends affectionately called. The dear old lady is 74 years of age. A sunny temper keeps her bright, and a good mind with a splendid recollection makes her interesting to be with. This dear old soul has done her share of good in the world, as much as a woman ever did. Her kindness and that of her deceased husband, too, (S. M. Skeen) was demonstrated for many years in the community at and near the mouth of the little river. Her kindness had substance, and was always extended with cheerfulness to whomsoever might apply.

With a heart that has known no guile has the subject of this little mention lived; and it is the writer's wish that she may be spared many years before she enters upon the eternal joy she richly merits!

The Ideal Panacea.

James L. Francis, Alderman, Chicago, says: "I regard Dr. King's New Discovery as an ideal Panacea for Coughs, Colds and Lung Complaints, having used it in my family for the last five years, to the exclusion of physician's prescriptions or other preparations."

Rev. John Burgess, Keokuk, Iowa, writes: "I have been a Minister of the Methodist Episcopal Church for 50 years or more, and have never found anything so beneficial, or that gave me such speedy relief as Dr. King's New Discovery." Try this Ideal Cough Remedy now. Trial Bottles Free at W. H. Styler's Drug Store.

Even Blacksmiths, who are supposed to represent great strength and perfect health, are likely to die of consumption. Mere muscularity isn't always health. Disease will develop rapidly once let the germs of consumption get into a man's system, and it will kill him certainly and surely if he doesn't take the proper measures to get rid of it. Exercise and work and dieting and all that sort of thing are good enough in their way, but consumption is one of the things that they won't cure. The bacillus of consumption is a living organism. It is infinitesimal, but it is alive. The only way to get rid of it is to kill it. If it isn't killed, it will develop and multiply. Germs are wonderfully prolific. In the quickest imaginable time, one becomes a thousand, and a thousand a million. Dr. Pierce's Golden Medical Discovery is a germ hunter and a germ killer. Wherever a disease germ lurks in the body, the "Discovery" will find it—will render it harmless. It doesn't make any difference what you call your disease, or what kind of a germ it is. All germs circulate in the blood. The "Golden Medical Discovery" purifies the blood—purges it of germs—enriches it with life-giving properties. It not only kills disease, but it builds up health. It is a tonic, a nerve, or nerve-food, or invigorator and blood-purifier, all in one bottle.

If you want to know all of the facts about this wonderful remedy—if you want to know all about the human body, and human health, and sickness, and how to get rid of it, send for Dr. Pierce's Common Sense Medical Adviser, a standard medical work of 1008 pages, profusely illustrated, which will be sent free on receipt of 21 one-cent stamps to cover cost of mailing only. This work is a complete family doctor book and should be read by both young and old. The profits on the sale of 680,000 copies at \$1.50 has rendered possible this free edition. Address, World's Dispensary Medical Association, Buffalo, N. Y.
